

This policy ordered stricken by the policy committee 05-06-03

It is against district policy for any school employee to loan district equipment to individuals or organizations unless the loan is a condition of the rental of a school facility.

Nothing in this policy prevents the district from loaning equipment to other taxing units or other agencies in emergency situations.

The board of trustees reserves the right to waive the above policy based on the merit of the request for use of the equipment.
