

Transportation to all school-sponsored activities scheduled outside the Melba School District will be provided by the district, not by private vehicles. All student participants are required to ride the bus to and from these scheduled events.

If a student participant wishes to ride home with his/her parent/guardian, the parent/guardian will sign the student off the bus with the bus driver. Under no circumstances will a student be released to his/her parent/guardian from activity transportation, unless his /her parent/guardian are present at the site of the activity. (The principal or designee alone can make an exception upon the parent/guardian contacting the principal face-to-face and executing a written consent form releasing their child to another adult.)

The student must make an attempt to inform the coach of his/her being checked out by parent/guardian.

Coaches will check with the bus driver before leaving to insure all students are accounted for. If a student is missing the coach will check the facilities to locate them. If a student cannot be found, the coach will attempt to notify their parents/guardians prior to leaving.

Under no circumstances will student participants be allowed to transport themselves or other students to or from the activity.

Students on such trips are required to comply with the rules and regulations governing daily school transportation.
