

This district will provide a core of instruction at the elementary level kindergarten through grade five (K-5) as follows:

1. Language arts and communications will include instruction in reading, writing, English, literature, technological applications, spelling, speech and listening.
2. Mathematics will include instruction in addition, subtraction, multiplication, division, percentages, mathematical reasoning and probability.
3. Science will include instruction in applied sciences, earth and space sciences, physical sciences, and life sciences.
4. Social studies will include instruction in history, government, geography, economics, current world affairs, citizenship, and sociology.

In addition to the core of instruction set forth above, the district will offer the following instruction to all elementary school students:

Fine Arts (art and music)
Health (wellness)
Physical Education (fitness.)
